These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this warranty.

Updated Product Lines. National Kitchen & Bath Cabinetry periodically updates and makes changes to its product line and specifications. If a warranty claim is filed after a National Kitchen & Bath Cabinetry product becomes obsolete, National Kitchen & Bath Cabinetry reserves the right to alter specifications and material without obligation to make similar changes to products previously manufactured. National Kitchen & Bath Cabinetry will replace the part under warranty with a new part of the same style or with a similar style currently offered, but National Kitchen & Bath Cabinetry cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods natural aging process, affecting its color and grain.
