Limited Lifetime Warranty

LIMITED LIFETIME WARRANTY on OAKLAND® Products

Covered under this *Limited Lifetime Warranty*:

Oakland® will provide replacement part(s), or if not available, a similar product of the original purchase only if merchandise is found to be defective.

This warranty only applies to products that were installed, used, and serviced by the original purchaser.

Furthermore, this warranty is only valid for residential use and is not transferable between households or owners.

Proof of purchase must be shown for any warranty claim.

This warranty is applicable to Oakland® products manufactured after 2017 .

Not covered under this *Limited Lifetime Warranty*:

Oakland® will not be responsible for any incidental, consequential or any other special damages incurred during installation, repair or replacement.

In addition, Oakland® will not be liable for any damage that may occur as a result of improper installation or use of non-Oakland replacement parts, as this will void this warranty.

We also recommend using a professional plumber to install/remove your product.

Oakland® recommends never using coarse cleaners or cleaners containing bleach, ammonia, alcohol, etc. This will also void the warranty.
